

An annual listing of projects for which Federal funds have been obligated in the preceding year shall be published or otherwise made available by the metropolitan planning organization for public review. The list identifies the project number, date of the authorization, type of work, amount of work, description, and whether it is state or federal funds. This list includes every project within the counties that are in your MPO. Therefore, depending upon your MPO boundaries some of the projects on the list may not fall within your MPO's jurisdiction.
