

# TOWN OF HOPE MILLS MULTIMODAL CONGESTION MANAGEMENT PLAN

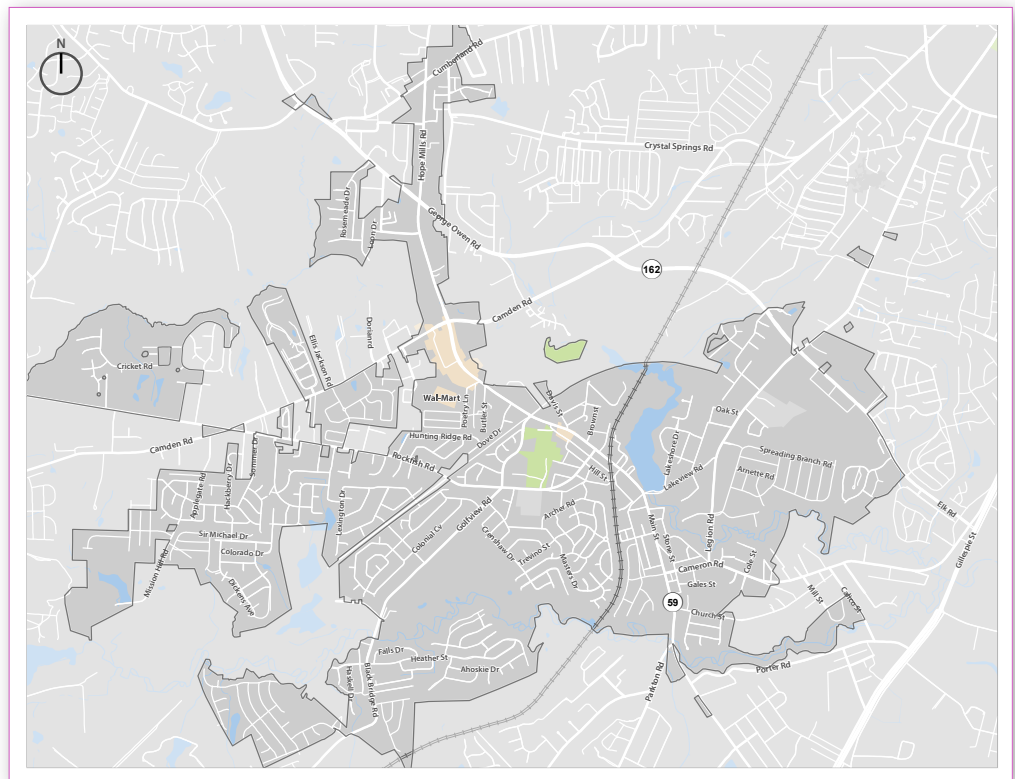

## PUBLIC MEETING!

**When:** Tuesday, September 12th  
6:00 – 8:00 PM

**Where:** Hope Mills Parks and Recreation Building  
5766 Rockfish Road

Open House Begins at 6:00 followed by a presentation at 6:30

**Project Description:** The Town of Hope Mills Multimodal Congestion Management Plan was initiated by the Fayetteville Area Metropolitan Planning Organization (FAMPO) to identify transportation challenges and propose solutions for transportation in Hope Mills. The objectives of the study are to enhance the current transportation system to meet the mobility and accessibility needs for all modes, as well as to establish a regional vision for the town land use and transportation plan.
