Cumberland County Jurisdictions Join the Ozone Advance Program

Cumberland County, the City of Fayetteville, and the Towns of Eastover, Falcon, Godwin, Hope Mills, Linden, Spring Lake, Stedman, and Wade are participating in the new Ozone Advance Program. This Program is administered through the U.S. Environmental Protection Agency (EPA) and is designed to encourage areas that are close to being designated as non-attainment for ozone to implement voluntary measures to reduce pollutants. By doing so, areas like the Fayetteville Metropolitan Area can be better prepared to reduce the impacts of a potential re-designation in the future. Our area is the first in North Carolina to participate.

FAMPO List of Federal Aid Transportation Projects

Every year FAMPO publishes a list of all transportation projects that received federal aid money in our area. This list is included as an insert in the newsletter. If you have any questions about any of the projects or would like more information on them, call FAMPO at 910 678-7614.

Win With Air Quality!

2013 Poster Contest

Our Health and the Environment

Two Contest Age Groups

Kindergarten – Second Grade
Third – Fifth Grade

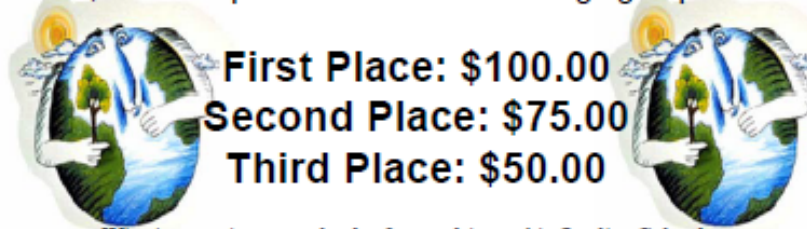

Minimum Size: 9 inch x 12 inch
Maximum Size: 22 inch x 28 inch

The poster contest invites you to create a poster or comic strip showing ways you live and improve "Our Health and the Environment".

Children play a big part in air quality. Riding your bike, taking the bus, turning off the lights and recycling all help improve air quality.

For more ideas, check on the web: www.fampo.org/airquality Kid's Corner

Cash Prizes will be awarded in April 2013.
First, second, and third place winners from both age groups will be notified.

First Place: \$100.00
Second Place: \$75.00
Third Place: \$50.00

Winning entries may also be featured in an Air Quality Calendar

View previous winning posters on www.fampo.org/airquality

This contest is open to any elementary student in Cumberland County; including Fort Bragg. All students are invited to submit original artwork entries into the contest. The contest deadline is

Monday, March 4, 2013

Please mail or submit all entries to:
Sustainable Sandhills
Air Quality Poster Contest

- Transportation Advisory Committee Meeting: 8:30 am Hearing Room #3 of the Historic Courthouse at 130 Gillespie Street: January 23rd.

For more information on any of these events contact
FAMPO at 910 678-7614

New Transit Pilot Project

Cumberland County Commissioners approved a new pilot project to provide transit from the Cedar Creek community to the Transfer Center operated by the Fayetteville Area System of Transit (FAST).

The 15 passenger van, operated by Majestic Luxury Tours, will make two round trips daily, twice in the morning and twice in the evening, from the Cedar Creek Baptist Church at 4170 Tabor Church Rd. to the FAST Transfer Center. Service began on October 15th and will continue for at least 90 days, after which the service effectiveness will be evaluated. For more information, call the Cumberland County Community Transportation Program at 910-678-7674.

Sign up for our informational mailing list

FAMPO periodically sends information to interested citizens about community events and our planning efforts. If you would like to be added to our list, contact our offices by phone or email: (910) 678-7614
