Fayetteville Area Metropolitan Planning Organization

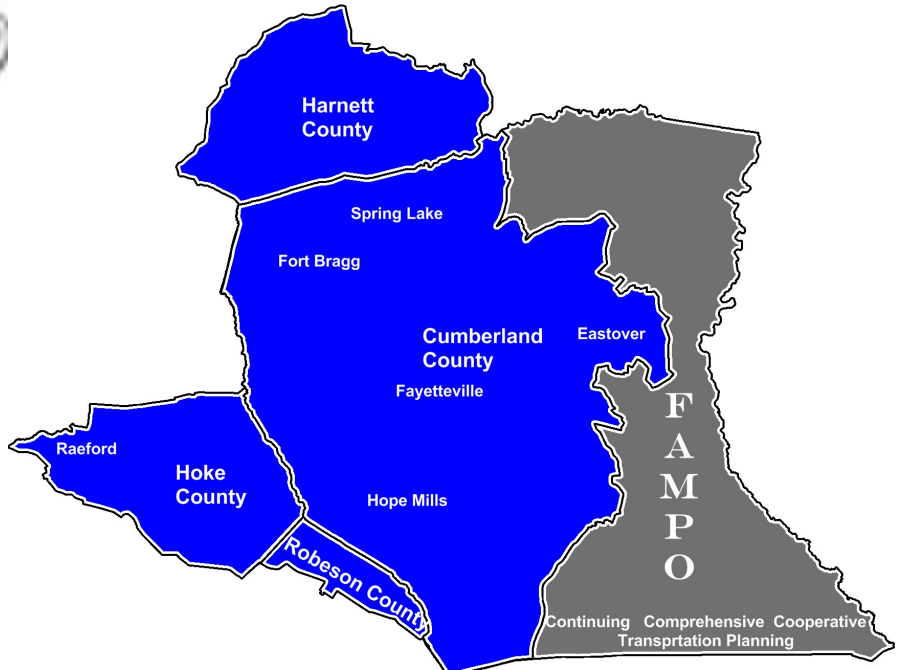

Project Prioritization SPOT 4.0

The Fayetteville Area Metropolitan Planning Organization has been diligently working on prioritizing transportation projects for the State of North Carolina's Strategic Transportation Investment program. Currently, the Regional level of prioritization is being approved (see page 2) and the Division level is being distributed for public review.

Public meetings will be scheduled throughout the MPO area for public feedback and the ranking information will be posted on FAMPO's website (www.fampo.org).

The draft list of funded projects and their timeframe for construction should be released this Winter.

For information, contact Greg Shermeto at (910) 678-7615 or gshermeto@co.cumberland.nc.us.

New Segments of the Fayetteville Outer Loop Opening

New pieces of the Fayetteville Outer Loop will open up before the end of the year. The Ramsey Street to Murchison Road connection is scheduled to open on August 11. This will create a full connection between Bragg Boulevard and I-95. Later this year, the segment from Bragg Boulevard to the All-American Freeway is scheduled to also open.

Air Quality Poster Contest

FAMPO and Sustainable Sandhills annual Air Quality Poster Contest is accepting entries through March 31, 2017. The theme this year is “Dare to Care for Healthy Air!” Participants must be students in grades K-5 at an eligible elementary school in Cumberland County or the Fayetteville Area Metropolitan Planning Area. Entries should be no smaller than 8.5 x 11 inches and no larger than 11 x 17 inches. The back of the entry should have: name, school, grade, teacher, phone number and email address. (This information is confidential and will not be shared).

Prizes will be given for 1st, 2nd and 3rd place winners in two age categories: Kindergarten through 2nd grade and 3rd through 5th grade.
